A MESSAGE FROM THE SUPERVISOR

Dear Resident,

The Town of Islip and its residents, like you, are committed to ensuring that our environment is as safe and healthy as possible. Recycling is not only important in order to keep our environment clean, but it also helps defray costs by keeping reusable material out of the waste stream. Therefore, the Town's WRAP (We Recycle America Proudly) Program has proven to be a great success year after year.

This 2014 WRAP Calendar has the information you need as to when and how to place items out for recycling. To further help you in your recycling efforts, this calendar also includes information about our other facilities and the items they accept for recycling. I encourage you to keep this in a noticeable location for easy reference.
